FREELAND HIGH SCHOOL

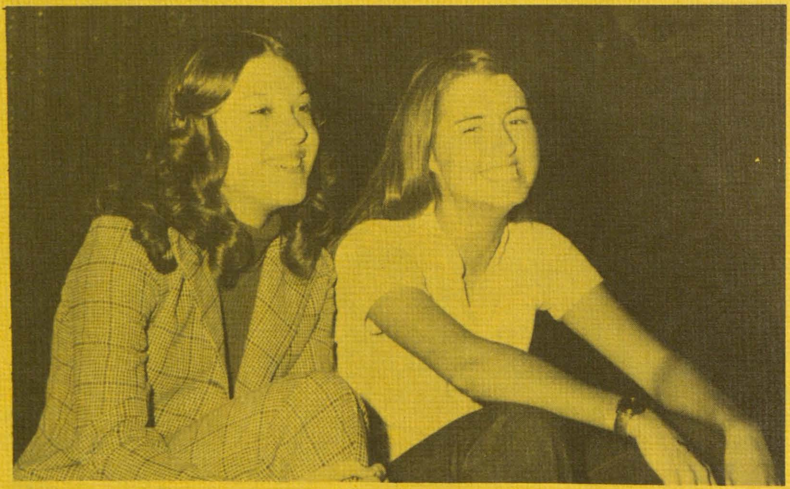

Volume XI Freeland, Michigan

1972-1973

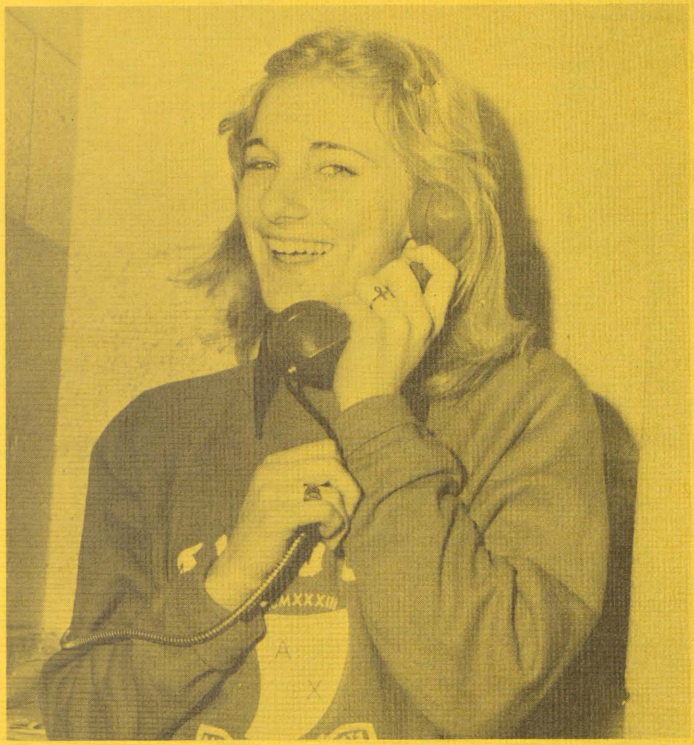

Freeland High School has undergone many almost radical changes during the past school year. These changes have come in the form of many things including: a split session lunch hour, a female member on the Cross-Country team, and the addition of our "beloved" relocatable units. Many of these changes have been welcome and long awaited by the students; others have not been so well received. Nevertheless, these changes have occurred and are now a part of the history of Freeland High School. It is the sincere hope of this year's Yearbook staff that we have captured all of your memories of the "changing times" in the following pages.

A MUSICAL SURPRISE

For the first time the Freeland Band was asked to play at the Civic Center for a hockey game which in itself speaks for our band. At a solo and ensemble held this past year we won five first places. Together with Hemlock and Merrill an All-Star band was formed. These and other things prove the changes being made even in our band.

There aren't 76 of them but they still supply the sound.

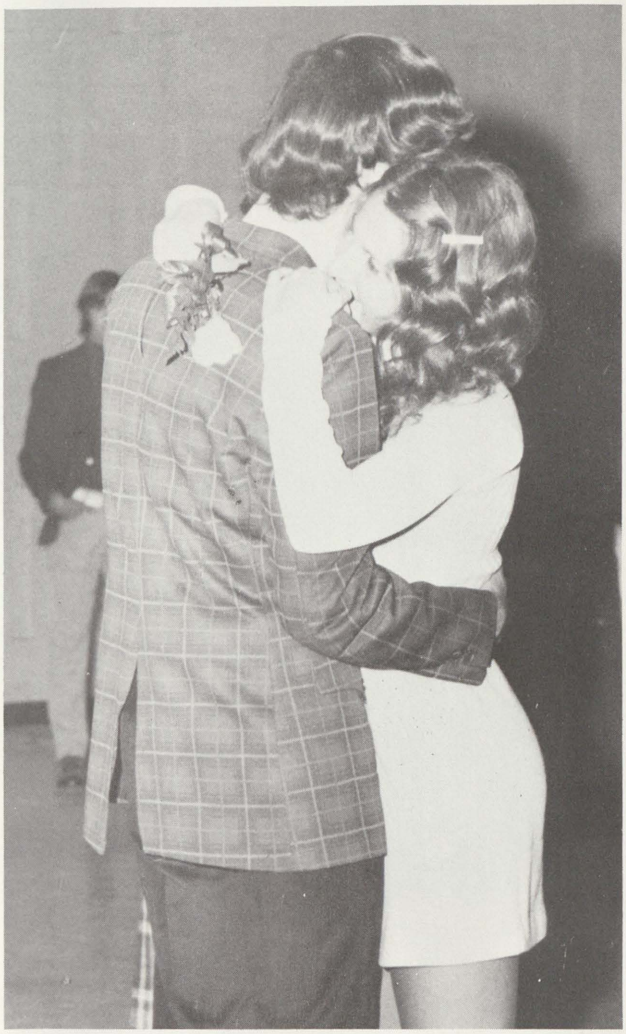

Hup two, three, four.

Come blow your horn.

HOMECOMING'S START WAS A "KICK-OFF"

On October 21 Freeland held their annual Kick-off dance put on by Student Council. Don Scott of WSAM D.J.'d the dance. Phyllis Cooper was chosen to reign over this year's Homecoming activities.

Anxious moments over, Ken and Phyllis enjoy the queen's dance.

FALCONS FIRED UP FOR A VICTORY

"Woodn't ya know it!"

"Something's burning."

This year's bonfire took place the night before Homecoming. There were two piles, one by the Seniors and Freshmen, the other by the Juniors and the Sophomores. Juniors and Sophomores won by a great margin.

THE FALCON PRESS IS ROLLING

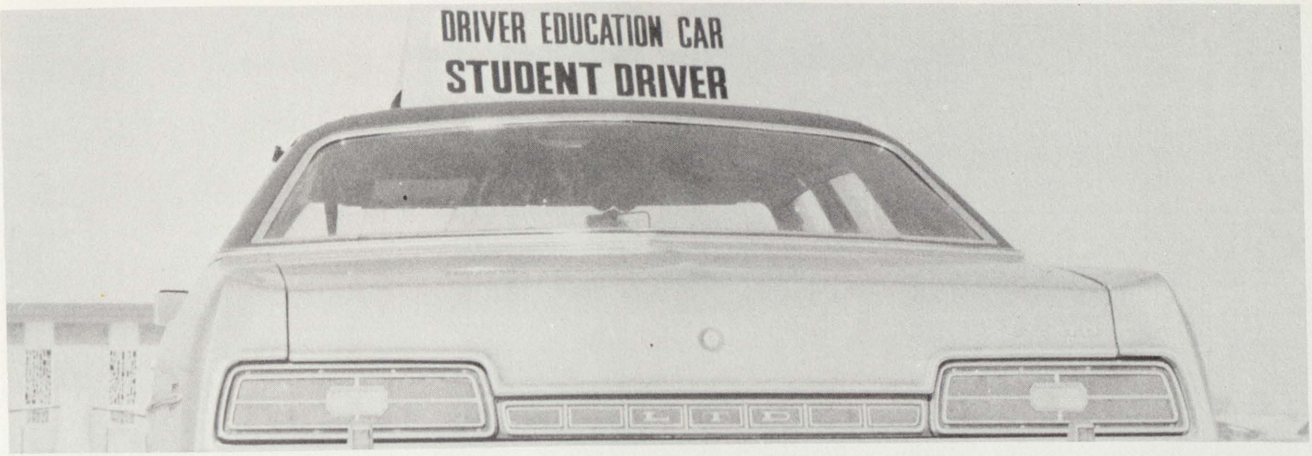

Once every three weeks the journalism staff turns out a newspaper for the reasonable price of 10¢ which is a bargain considering the amount of goodies included. Journalism's sponsor is Mr. Perry.

THREE CHEERS FOR

The Varsity and Junior Varsity cheerleaders backed the FHS teams with great spirit and enthusiasm. After spending three days at Walden Woods Cheerleading Camp, the Varsity girls were ready for the season with some new cheers to teach the student body. The girls placed second in competition with girls from over 50 other schools. The second place ribbon was won for the cheer "A Little More Action."

The J.V. Cheerleaders were ready for the '72-73 season with sharp new uniforms they were able to purchase them with help from the Freeland Athletic Association.

A win-loss record doesn't always show the ability of a team and its players; it just proves that the team had a bad night, or a good one, whatever the case may be.

Co-Captains for the 1972 season were Mike Mullen and Dick Mainprize. Coaches Curl and Bowen directed the Falcons to their final record of three wins and six losses. With the many sophomores, the Falcons show great promise for future football seasons.

Sixty + Football = Yardage.

The Freshman football team had a 4 win - 3 loss record this year but promising talent was revealed. It was a new year for the freshman players and the team also obtained new coaches: Mr. Hickson and Mr. Wier. The 1973 Varsity Basketball team had an excellent season. Two starters from last year returned - Steve Young and Kris Kamrath. The remainder of the starting five were Bob McInnis, Dick Mainprize and Tom Forsberg. Gene Sumption and Mark Bishop alternated for the starting players which gave us lots of support when we ran into foul trouble. We started the season by winning our own tourney, defeating Coleman 82-69, in the finals. Our trophy is proudly displayed in the trophy case.

FALCONS PIONEERING A NEW FRONTIER

Even though the Freshmen's over all record doesn't sound especially good, they had a successful season. They finished 2nd runner-up in the Merrill Tournaments with Tim Neuenfeldt and Steve Sierocki being named to the All-Tournament team. The Carrollton and Hemlock games were two of the Freshmen's outstanding performances. Carrollton had been undefeated until running into Freeland.

FALCON WRESTLERS DISPLAY SPIRIT

"Who monkeyed with the scales?"

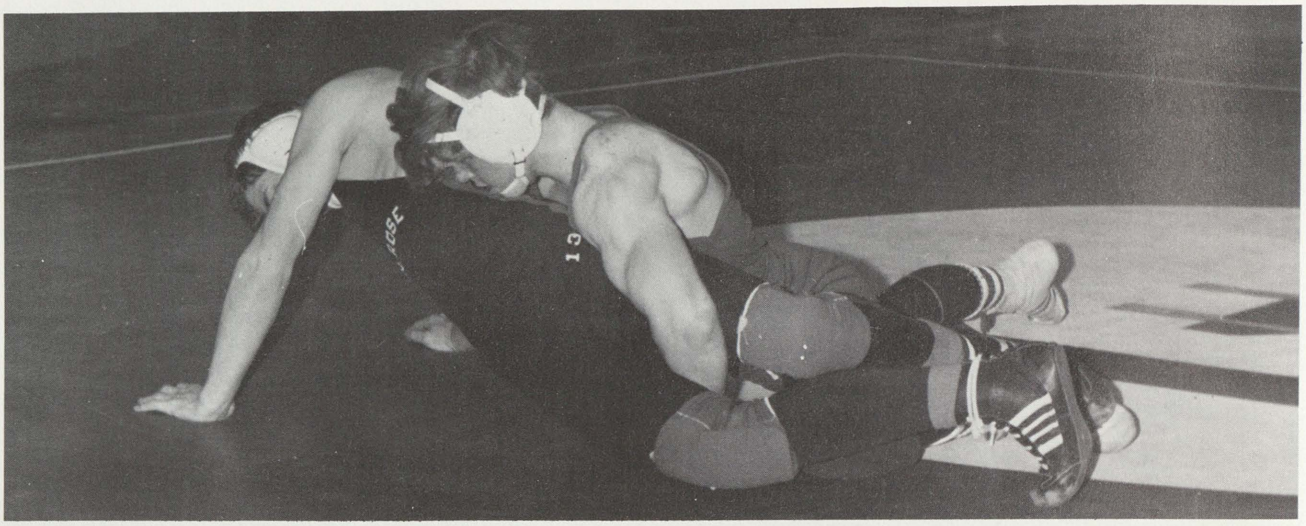

After a good match Tom Halm comes out victorious.

"Did I hear the word food?(!)"

Wrestling brought a contagious pinning power during the season. It is an individual sport with team points. After school, practices and running through the halls took place. Winning and improvement were the results. Seniors, Tom Halm and Roger Clay, had a tremendous season. Next year's talent brings a good prospective team. Coach Pintek and coach Hollingsworth (a new coach this season) provided the team with great inspiration to urge the wrestlers on to victory.

OUTSTANDING PERFORMANCES BY STRONG INDIVIDUALS

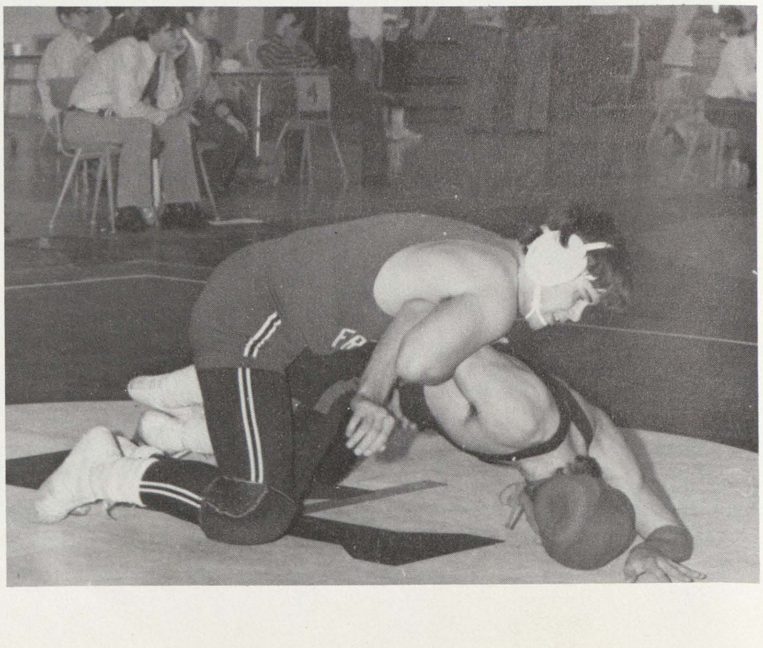

Fred Goslin displays his winning form.

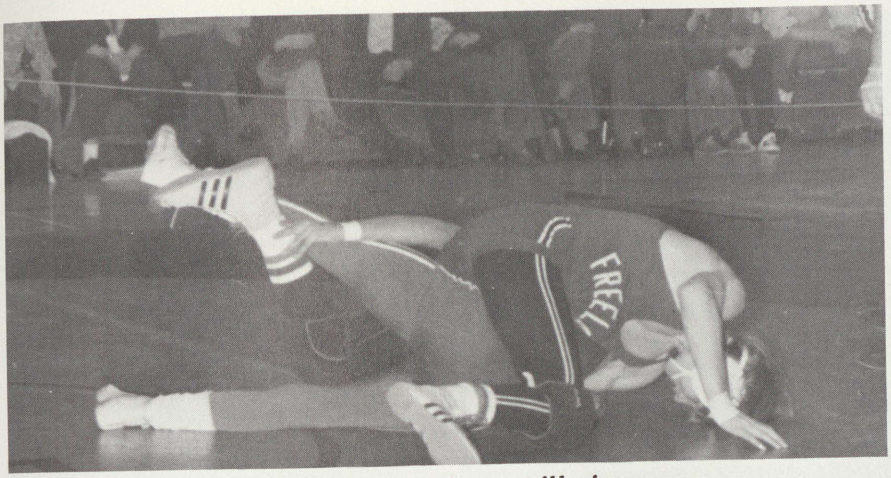

ABOVE: "Hurts don't it."

Our Varsity Wrestling team finished 2 and 7 for the season. They placed fourth in the conference meet. Tom Halm and Roger Gay placed first, Mike Mullen and Fred Goslin took seconds, and Rick Hayes took a third.

FOREIGN EXCHANGE STUDENT RAP

I am Monica - the Swedish exchange student. The organization that sent me to Freeland was Youth for Understanding. They couldn't have chosen a better place for me. Freeland is like my second home now. Freeland has given me a nice view of America and American life.

This is a good chance to thank all "Freelanders" who have treated me so nice.

Freeland High School with principal, superintendent, teachers and all the people who make it work so well, shows how a school is supposed to work and is a good example to other schools. It's such a good relationship between teachers and students here.

I come from the northern part of Sweden, a little town called Vilhelmma. The school I'm going to has about 600 students in the age of 16-20. I have still 2 years left before I can graduate.

If you ever come over to Europe make sure that you come up to Sweden and you are always welcome to visit me.

- MONICA ELMQVIST

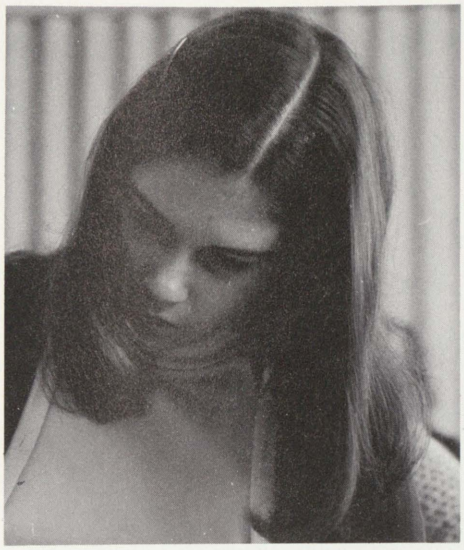

I am a foreign exchange student from Holland (Netherlands). Thirteen million people live in the Netherlands. Most Dutch people know some English. A lot of them live in apartments so there are still a lot of woods. I was surprised at the distance here between the towns. I like the winters here, and it is okay for me if it goes on with snowing. Snowmobiling is something I had never done before. I like it, it is a lot of fun. I live in Soest, with my parents and one brother, a village of 40,000 people and is growing bigger because of the new industries.

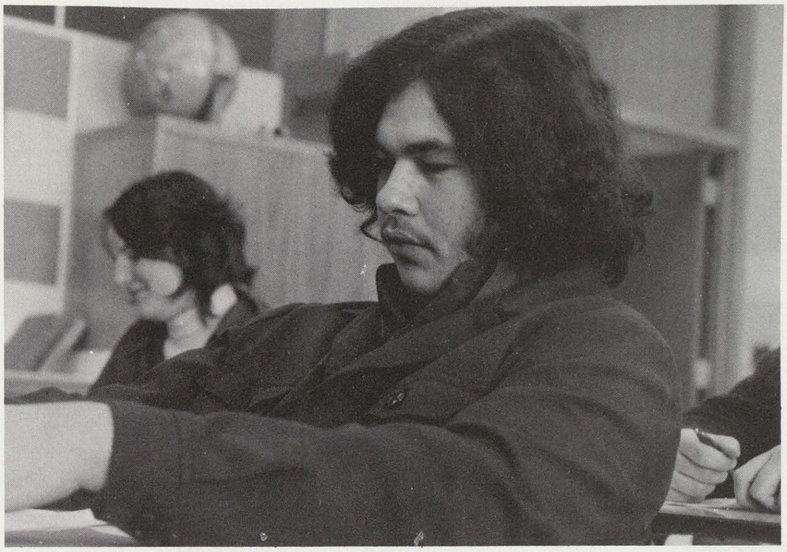

In Holland, everybody lives close enough to the school to come by bike, walk, or come by "bromfeets." That is a bike with a light motor on it and goes about 35 miles an hour.

You have to come over some time to my place. My address is: Hildebranloan 27 - Soest, Holland.

The faculty this year has many new faces and new plans. Due to the overcrowded condition, five members of the faculty were forced to move to the relocatable classrooms behind the 400 wing. Mr. Craig is working hard to bring about changes in the curriculum and we are looking forward to many new and exciting changes for 1973-74.

Changing times and passing moments - memories are created by each new experience. Traditional events such as Homecoming and prom are unforgettable.

This year's seniors are graduating, looking forward to college, but reminiscing about Freeland High. Juniors become seniors and everyone looks forward to advancement.

Thoughts are kept of the usual things, but new and changing ideas always present a challenge. Every year, people change - styles, attitudes, and appearances. As the commercial goes, "There's a new you coming every day."

The Victorian Staff wishes the best to this year's graduates. We hope that we have accomplished our purpose and that everyone can recognize a little of this 1972-73 year at Freeland in the pages of this Victorian.
